

Email 1: Requesting an Assignment Extension

****Subject:** Request for Extension.**

Dear Professor Kannan,

I hope this email finds you well. I am writing to respectfully request a short extension for the submission of Digital literacy project , which is currently due on 31 March 2026.

I have been working consistently on this assignment; however, I have encountered unexpected overlap with another deadline. I believe an additional [2–3] days would allow me to submit work that properly reflects my understanding of the course material.

I understand that extensions are not always possible and I completely respect your decision either way. If an extension is not feasible, I will submit what I have by the original deadline.

Thank you for your time and consideration.

Warm regards,
Tanuj Singh
